This diagram illustrates the assembly of a LEGO Technic mechanism. The main assembly is shown in a 3D perspective view, featuring a motor, gears, and various beams and connectors. A specific part, a black Technic connector, is shown in an exploded view above the main assembly. Red dashed lines indicate the assembly path for this part, showing it being inserted into a hole in the main structure. The exploded view also shows other components like a grey motor, a black gear, and various black and grey beams and connectors.
